Subject: Confidential - The Fifth Dimension investment memo

Gentlemen,

Attached for your review and consideration is the investment memo for The Fifth Dimension formerly known as CyberSec.

Please note the following:

- **The material is confidential and we have signed a very strict confidentiality agreement. Please don't transfer this file to anyone outside our organization and remember that emails can be tracked ☺**
- The technology section of the memo is not an easy read mainly because it is complicated to begin with. We will prepare a few slides for Monday that will help us simplify this section.

Thanks and have a good weekend,

Yaron
